

UM/UIM Coverage Developments and Legal Changes Seminar

FREE Member Benefit SEMINAR for IIAB of Tucson Members – May 5, 2016

Uninsured and Underinsured Motorist Coverage is a widely misunderstood concept, and if you don't understand it, you are destined to learn the hard way. You know what they say, "How do attorneys define E&O?" They define it as "Excitement and Opportunity" of course! We will examine the following:

- The history of Arizona's UM/UIM Coverage Selection Form from its inception right up to current legislative changes
- The evolution of **ARS 20-259.01** – from **Motor vehicle liability policy; uninsured optional; underinsured optional; subrogation; medical payments liens; definitions** into its current version
- Statutory Law vs Case Law
- Important Arizona Appellate or Supreme Court Decisions which impact interpretation of ARS 20-259.01, including Wilks v. Manobianco and the newest Murray v. Farmers case
- Proposed 2016 Legislation revising ARS 20-259.01
- Possible insurance industry solutions to the Murray v. Farmers case which allows for claims of consumer fraud and emotional damage against producers.
